Dedication

Miss Alice MacVicar

To you, Miss Alice MacVicar, our first principal, we, the students of Shenandoah Junior High, dedicate this 1976 Triangle on the fiftieth anniversary of our school. We appreciate the lifetime of service you have rendered to Shenandoah, the Dade County School System, the community and religious centers. During the thirty-two years you spent in the Dade County educational field, nineteen of them at Shenandoah, you assisted in the development of curricula that have stood the test of time.

We express our gratitude for the dedicated staff and student bodies you led and inspired to reach for higher educational achievements. We are blessed for having had this guidance. At one time or another, many of our local leaders of today walked the halls of Shenandoah as students. We too can aspire to reach the heights.

Your active participation in service clubs and church work has had wide spread influence on our community. The hours you spent in educational buildings were not your only teaching accomplishments. In your church you are a leader and a teacher. The many tape recordings of text books and articles for the blind will long be remembered and treasured.

The school motto, COURAGE, COURTESY, and CULTURE, that you help to establish, has given us a rich heritage and a worthy goal for which to strive.

We salute you with affection, "Miss Alice MacVicar".

Shenandoah is unique that in its fifty year history it has had only four principals; three of whom are still living:

Feb. 1926—June 1945—Miss Alice MacVicar
Sept. 1945—June 1949—Mr. Olin C. Webb (deceased)
Sept. 1949—June 1969—Mr. H. H. Plotts
August 1969—Present—Mr. Harry Miller

Principal's Message

1776 to 1976, this is the period of time dating from the Declaration of Independence to the two hundredth anniversary of our nation's founding and progress. These, are the years you have been studying in your classes here at Shenandoah, but equally important to you and to the nation are the years ahead. What will the future bring to you and to the United States? The answer will be given in part by your activities as citizens and future voters.

It is my hope that the courage, courtesy, and culture, the three "C's" of Shenandoah, will inspire you always to do what is right, treat your fellowman with humane consideration, and contribute to the further advancement of the world.

As you participate in the Bicentennial Celebration, I wish for you present happiness and continued success in your educational pursuits and future citizenship. This period of national commemoration is an exciting time, and, with diligence, your future and that of the United States will rise to greater heights of achievement.
